

# Did you see me?

SCHOOL BUS  
**SAFETY CAMPAIGN**

January 30 to February 10, 2017

**CLASSROOM ACTIVITY SHEET**  
for preschoolers and elementary students

## AN ESSENTIAL SAFETY CAMPAIGN

From January 30 to February 10, 2017, the Bus Carriers Federation will hold a school bus safety campaign in collaboration with many partners, including the Société de l'assurance automobile du Québec (SAAQ). The theme ***Did you see me?*** speaks directly to school children, who must make sure they are seen by the bus driver whenever they go near or get off a school bus. Children must also be seen by other road users, whether they are going to the bus stop or crossing in front of the bus.

## THE SCHOOL COMMUNITY: AN IMPORTANT PLAYER IN THE SAFETY OF SCHOOL CHILDREN

Parents and teachers are natural allies when it comes to reminding students about school bus safety rules. With this in mind, the Bus Carriers Federation and its partners have released a revised and updated edition of the fourth book in the 10-volume Bubusse Collection series, *Sam and Bloop at the Field Day*.

## AN EDUCATIONAL BOOK

*Sam and Bloop at the Field Day* is intended as a support resource for school bus safety activities for preschoolers and elementary school students. The book aims to help students understand that they are responsible for their own safety in and around the school bus and so they must understand safety rules and apply them at all times. The book comes with a poster that introduces the main characters and the theme of the campaign. We encourage you to prominently display the poster in your classroom and to explain the theme to your students.

## HOW TO USE THE BOOK

### WITH KINDERGARTEN AND GRADE 1 ELEMENTARY STUDENTS:

- Review the school bus safety rules on page 12 of the book.
- Direct the students' attention to the questions asked by Bubusse, the school bus mascot.
- Discuss the importance of looking around carefully and, especially, being seen when approaching and travelling on a school bus.
- Lend the book to one student every day throughout the safety campaign so they can read it at home with a parent. Parental involvement is crucial to adopting good behaviour.

### WITH STUDENTS IN 1ST AND SECOND GRADE:

- Review the school bus safety rules on page 12 of the book.
- Have the book circulate among students and discuss the importance of looking around carefully and, especially, being seen when approaching and travelling on a school bus.
- Have the students answer the questions asked by Bubusse, the school bus transportation mascot.
- Ask them to read the book and find the answers to the games on page 11.
- Suggest that students introduce the book to younger students and thus become safety sponsors.
- Using safety rules that you have chosen, ask the students to create a new adventure for Sam and Bloop and to illustrate it.

### IN COLLABORATION WITH ALL THE TEACHERS:

- Hold a school-wide drawing contest in connection with the theme of the ***Did you see me?*** campaign, where each student illustrates one school bus safety rule. Drawings can be numbered and posted on school walls so that students can vote to determine the winners.

### OTHER INTERESTING IDEAS

During this important province-wide awareness raising campaign, most Federation member school bus Carriers organize numerous activities on school bus safety in collaboration with their school boards and local police forces. Don't hesitate to call upon the carriers who serve your school. They are available to help you do classroom activities, carry out simulations around a school bus and more.

### A SHARED RESPONSIBILITY

The SAAQ, in collaboration with its partners, including the Bus Carriers Federation, has published a folder titled ***School Bus Transportation, a Shared Responsibility*** which helps citizens, bus drivers, parents and children understand the role that each must play to ensure the safety of students when they are on their way to school or coming home. The PDF version of the folder is available for download on the SAAQ's Web site at [www.saaq.gouv.qc.ca](http://www.saaq.gouv.qc.ca).

**REREAD THE  
SAFETY RULES  
OFTEN**

I go to the bus stop early to avoid running.
I stay in line to wait for the bus without shoving others.
I wait until the bus has come to a full stop before approaching it.
I get on the bus in single file and hold onto the handrail.
I go straight to my seat and sit down.
I leave nothing in the aisle.
I avoid distracting the driver.
I keep my things in my bag.
I keep my head and my arms inside the bus at all times.
I do not throw food or other things out the window or onto the floor of the bus.
I remain seated at all times until the bus has come to a full stop.
I move away from the bus as soon as I get off, and I stay away from the wheels.
I count ten steps after getting off the bus before crossing in front.
I make sure the driver has seen me before I cross in front of the bus.
I walk in front of the bus, then I check for traffic to the left, to the right and to the left again before crossing the street.
I wait for the driver's okay before trying to get something I dropped that has rolled under the bus. If I cannot speak to the driver, I wait until the bus has left before picking up the object.
I never go behind a school bus.
