ANNEXE

EXTRAITS DE LA *LOI SUR L'ACCÈS AUX DOCUMENTS DES ORGANISMES PUBLICS ET SUR
LA PROTECTION DES RENSEIGNEMENTS PERSONNELS*

ARTICLE 1

La présente loi s'applique aux documents détenus par un organisme public dans l'exercice de ses fonctions, que leur conservation soit assurée par l'organisme public ou par un tiers.

Elle s'applique quelle que soit la forme de ces documents: écrite, graphique, sonore, visuelle, informatisée ou autre.

1982, c. 30, a. 1.

ARTICLE 15

Le droit d'accès ne porte que sur les documents dont la communication ne requiert ni calcul, ni comparaison de renseignements.

1982, c. 30, a. 15.

NOTE

DESTINATAIRE : Mme Marie-Pierre Parent
Bureau de l'accès à l'information et de la protection des
renseignements personnels

DATE : Le 15 juin 2026

OBJET: Demande d'accès à l'information – 03-06-35294

La présente donne suite à la demande datée du 8 juin dernier de [REDACTED]

Pour répondre au point 1, plus précisément en ce qui concerne la demande portant sur le *montant des droits d'immatriculation additionnels pour les véhicules de luxe acquitté en 2025 pour chacun des véhicules* : Nous ne disposons pas de l'information telle que demandée. Voici toutefois le montant total pour l'année 2025, soit 81 510 231\$.

Espérant le tout à votre convenance.

NOTE

DESTINATAIRE : Marie-Pierre Parent
Conseillère en accès à l'information au Bureau de l'accès à l'information et de la protection des renseignements personnels

DATE : Le 19 juin 2026

OBJET : Demande d'accès à l'information 03.06.35294

Point 1 de la demande d'accès :

- L'extraction a été faite en fonction des véhicules en circulation au 31 décembre 2025.
- Les données pour le nombre de véhicules assujettis aux droits d'immatriculation additionnels sont regroupées par type d'utilisation, par année, par marque (le modèle de véhicule pour la SAAQ, ex. : Civic) et par fabricant (la marque pour la SAAQ, ex. : Honda).
- Cependant, l'obtention de la répartition exacte des montants additionnels acquittés en 2025 pour chacun des véhicules nécessite 2 requêtes à partir de sources distinctes. Les données en provenance de ces 2 requêtes doivent ensuite être rapprochées et validées.
- En conclusion : la VPEN ne peut fournir la répartition des montants additionnels acquittés en 2025 pour chacun des véhicules puisqu'elle requiert une comparaison de documents.
- Cependant, vous trouverez ci-joint un tableau récapitulatif de l'information que nous sommes en mesure de vous fournir.

Point 2 de la demande d'accès :

- Vous trouverez l'information dans le document ci-joint.

Anick Rouleau
Conseillère au bureau du vice-président à l'expérience numérique
