Do you want to ride with safety in mind?

Participate for **free** in a refresher course!

- Are you starting to ride again after a few years off?
- Have you just purchased a new motorcycle?
- Did you obtain your motorcycle driver's licence a few years ago?
- Do you need to refresh your riding skills?

If you answered Yes to one or more of these questions, the motorcycle refresher course is right for you.

Register for the course offered as part of an evaluation program aimed at measuring the short- and medium-term impacts of such a course, and fees will be **entirely reimbursed.**

Québec ⚜

The refresher course will help you:

- adopt safe behaviours and better spot potential hazards;
- refresh your driving skills and techniques;
- boost your confidence and feel more comfortable on your motorcycle.

Course contents (4 hours):

- Exercises focussing on keeping control of your motorcycle and safe practices:
  - slowing down
  - counterbalancing
  - emergency braking in a straight line and in a curve
  - taking curves
- Attitudes to adopt for safe behaviours on the road.
