Use of the Power of Attorney

The *Power of Attorney* form must be filled out, signed and dated by an individual who cannot go in person (mandator) to the Société de l'assurance automobile du Québec (SAAQ) and who wants to authorize another person (mandatary) to conduct, on the mandator's behalf, a transaction in connection with the mandator's record. Once completed, the power of attorney contains confidential information that could be used for other purposes, which is why the SAAQ recommends only giving a power of attorney to someone you trust and keeping a copy of the document.

General Instructions

- A *Power of Attorney* form that is not completed in accordance with the instructions or on which entries have been erased, crossed out or altered will not be accepted.
- If the person being represented chooses to enter his or her date of birth in the "Mandator" part of Section 1, the mandatary must be provided with an original piece of identification accepted by the SAAQ¹. No piece of identification is required if the person chooses to enter the Québec driver's licence reference number.
- A fax or copy of a duly completed form can be accepted only if the required signature(s) is/are original.
- The mandatary (person representing the mandator) must be age 18 or older and will have to provide one piece of identification accepted by the SAAQ¹.
- Vehicles registered as co-owned or jointly-leased: For any transaction other than a transfer of ownership of the vehicle, one of the individuals whose name appears as co-owner or co-lessee on the registration certificate must come in person or provide a power of attorney. Contact the SAAQ to find out the requirements that apply to the transfer of ownership of this type of vehicle².

Additional Instructions Concerning a Vehicle Transfer

If you give a power of attorney because:

You are **selling** or **giving** away your vehicle:

- Complete and sign Sections 1, 2 and 3A.
- Remember that you remain responsible for the vehicle until it is registered in the acquirer's name. It is your responsibility to ensure that the vehicle is registered under the acquirer's name.

You are **acquiring** a vehicle:

- Complete and sign Sections 1, 2 and 3B.
- If the acquirer is absent, the mandatary will not be allowed to proceed with the transfer if the odometer reading reported in section 3B is less than what was declared at the time of the previous vehicle registration. The acquirer can ask the transferor for explanations or go in person to authorize the SAAQ to proceed with the transfer if the acquirer still wishes to do so.

Also:

- Before making the transfer, verify whether the vehicle can be registered by calling 1 900 565-1212 or using the *Checking if a Vehicle Can be Registered* online service on the SAAQ website at saaq.gouv.qc.ca. Fees are charged for each consultation.
- To give away or sell a vehicle registered in Québec, between related individuals, both parties must submit:
 - √ [The Declaration of a Transaction Between Related Individuals with Regard to a Road Vehicle Registered in Québec \(VD-80.1-V\) form Revenu Québec](#), duly completed.
 - √ A document proving kinship².
