

Please carefully read the following BEFORE registering for a driving course.

If you check "Yes" for at least one of the following items, we recommend that you contact the Société de l'assurance automobile du Québec before registering for a driving course, as you may have to undergo a medical examination or vision testing before being eligible to obtain a driver's licence.

You can contact us from Monday to Friday:

- Québec area: 418 643-5506
- From elsewhere: 1 800 561-2858 (Québec, Canada, USA)
