

**The road
belongs
to everyone.**

Let's share it.

Québec 

The road is a public space that must be shared.

TO ENSURE MY SAFETY AND THAT
OF OTHERS, I MUST:

- be courteous;
- keep a safe distance;
- obey signs and signals and traffic lights;
- be vigilant at intersections;
- yield the right of way to other road users;
- signal my intentions;
- be visible to others;
- adopt predictable driving behaviour;
- avoid distractions;
- establish eye contact with other road users;
- take the realities and constraints of other road users into account.
